Please read and follow the procedures stated in service bulletin SB 25-1111432. Pacific Scientific, Aviation Services Company will be responsible for inbound and outbound freight and will provide the freight carrier details to be used. Credit will not be issued for freight expenses incurred for using other freight carriers.

If there is no-fault found in the buckle, the customer will be responsible for inbound and outbound freight. Should you have any questions, please feel free to contact any of contacts below.

Please ship your buckle to your nearest location:
